

CURRICULUM VITAE

Personal Data

Raphael B. Stricker, M.D.
Union Square Medical Associates
450 Sutter Street
Suite 1504
San Francisco, CA 94108
Phone: (415) 399-1035
Fax: (415) 399-1057
E-mail: rstricker@usmamed.com

E-mail: rstricker@usmamed.com
Date of Birth: 1/7/50
Birthplace: New York, NY
Citizenship: USA
Marital Status: Married
Wife: Gina Simon Stricker
Children: Zoe Ruth Stricker, born 2/10/93
Avi David Stricker, born 6/2/94

Education

1961-67	Horace Mann High School, Bronx, NY. Diploma 6/67.
1967-71	Columbia College, New York, NY. BA 6/71
1972-75	University of Lausanne Medical School, Lausanne, Switzerland
1975-78	Columbia University College of Physicians & Surgeons, New York, NY. MD 6/78

Postgraduate Training and Appointments

1978-81	Residency: Internal Medicine, St. Luke's-Roosevelt Hospital Center, New York, NY
1981-84	Fellowship: Hematology/Oncology, Cancer Research Institute, University of California Medical Center, San Francisco, CA
1984-85	Postdoctoral Research Scholar, Cancer Research Institute, University of California Medical Center, San Francisco, CA
1985-86	Instructor in Medicine, Cancer Research Institute, UCSF Instructor, Department of Laboratory Medicine, UCSF
1986-89	Assistant Professor, Department of Laboratory Medicine UCSF Assistant Professor, Department of Medicine, UCSF
1989-91	Associate Director, Division of Immunotherapy and Plasmapheresis Unit, Children's Hospital of San Francisco
1991-93	Associate Director, Division of Immunotherapy and Plasmapheresis Unit, California Pacific Medical Center, San Francisco
1993-95	Associate Medical Director, HemaCare Corporation, San Francisco, CA
1995-97	Associate Medical Director, The Barron Centers, San Francisco, CA
1997-Present	Medical Director, Union Square Medical Associates, San Francisco, CA

2006-2007	Medical Director, Alan E. Beer Center for Reproductive Immunology & Genetics
2007-Present	Consulting Physician, Alan E. Beer Center for Reproductive Immunology & Genetics

Honors and Awards

1967	Cum Laude Society, Horace Mann Chapter
1968-71	Dean's List, Columbia College
1972-75	Medical Honors, University of Lausanne Medical School
1975-78	Honors in Medicine, Neurology, and Psychiatry, Columbia University College of Physicians and Surgeons
1982-84	NIH Research Grant #HL-07100-08 454965-31779, Cancer Research Institute, University of California Medical Center, San Francisco, CA
1984-85	Individual NRSA #1F32 HL-06871-01 CLN, National Heart, Lung and Blood Institute
1985-86	Research Fellowship, 85-N27A, American Heart Association, California Affiliate
1986-87	Research Fellowship, 86-N37A, American Heart Association, California Affiliate
1986-87	Academic Senate Research Grant, University of California San Francisco
1986-89	AIDS Clinical Research Grant, University of California San Francisco
1987-89	NIH RO1 AI/HL 24288, National Heart, Lung and Blood Institute/National Institute of Allergy and Infectious Diseases
1987-89	AIDS Investigator Award K87SF057, California State Task Force on AIDS
1989-92	Children's Hospital of San Francisco Grant 89-023
1990-93	Children's Hospital of San Francisco Grant 90-041
1991-93	California Pacific Medical Center Grant 91-030
1989-94	Elizabeth Reed Taylor Foundation Grant
1994-96	DATA Research Grant
1999-2002	American Medical Association Physician's Recognition Award
2001	<i>San Francisco</i> Magazine "500 Best Doctors" Award
2003-2006	American Medical Association Physician's Recognition Award
2007-2010	American Medical Association Physician's Recognition Award
2008	Outstanding Reviewer Award, <i>Annals of Internal Medicine</i>
2008-2013	Annual Patients' Choice Physician Award

Organizations and Licenses

1979	Diplomate, National Board of Medical Examiners
1981	Diplomate, American Board of Internal Medicine
1978-81	New York State Medical License #138648
1981-Present	California State Medical License #G44866
1978-Present	Member, Southern Medical Association
1983-88	Associate, American Medical Association
1987-Present	Member, American Association for the Advancement of Science
1987-Present	Member, American Federation for Clinical Research
1988-Present	Member, American Society of Hematology
1990-Present	Member, American Society For Apheresis (ASFA)
1990-2001	Member, Community Consortium of San Francisco

1990-Present	Member, International AIDS Society
1991-Present	Member, Clinical Immunology Society
1992-Present	Member, New York Academy of Sciences
1995-Present	Member, San Francisco Medical Society
1995-2001	Member, California Medical Association
1995-2001	Member, European Haematology Association
1995-2001	Member, California Blood Bank Society
1997-2004	Member, International Council on Infertility Information Dissemination (INCIID)
2000	Diplomate, National Baromedical Services Training Program, Columbia, SC
2000-2011	Board Member, California Lyme Disease Association (CALDA)
2011-Present	Board Member, LymeDisease.Org (formerly CALDA)
2000-Present	Board Member, International Lyme and Associated Diseases Society (ILADS)
2003-05	President-Elect, ILADS
2005-2007	President, ILADS
2011-Present	Vice President, ILADS
2009-2011	Medical Director, CALDA
2011-Present	Medical Director, LymeDisease.Org (formerly CALDA)

Professional and Teaching Experience

1974-75	Anatomy Dissection Instructor, University of Lausanne Medical School
1978-81	Visiting Clinical Fellow, Columbia University College of Physicians and Surgeons
1982-89	Hematology Course Instructor, Introduction to Clinical Medicine, UCSF School of Medicine
1985-88	Attending Physician, Cancer Research Institute, UCSF
1985-89	Attending Physician, Hematology Service, San Francisco General Hospital
1985-89	Attending Physician, Laboratory Medicine Hematology Service, UCSF
1989-91	Attending Physician, Hematology/Internal Medicine, Children's Hospital of San Francisco
1990-91	Advisor, California Blue Shield Medical Policy Committee on Quality and Technology
1990-91	Editor-at-Large, Marcel Dekker Medical Publications
1991-Present	Attending Physician, Hematology/Internal Medicine, California Pacific Medical Center, San Francisco
1992-96	Medical Advisor, Grupo de Apoio a Prevencao a AIDS (GAPA), Brazil
1993-Present	Medical Director, International DNCB Study Group, San Francisco
1995-96	Scientific Advisory Committee, Co-factors Study Group, Paris, France
1996-Present	Attending Physician, St. Francis Memorial Hospital, San Francisco
1996-Present	Attending Physician, Chinese Hospital, San Francisco
1999-Present	Attending Physician, St. Mary's Medical Center, San Francisco
1999-Present	Attending Physician, Seton Medical Center, Daly City, CA
1999	Program Project Reviewer, National Institute of Diabetes, Digestive & Kidney Diseases, Bethesda, MD
2000-2001	Attending Physician, Hyperbaric Medicine Service, St. Francis Hospital, San Francisco
2000-Present	Member, California Lyme Disease Advisory Committee
2006-Present	Expert Medical Reviewer, Medical Board of California
2006-2013	Member, QMedRx Advisory Panel

2007-Present 2010	Member, Editorial Board, <i>Expert Review of Anti-Infective Therapy</i> Member, Special Emphasis Panel CK10-004, "Assessment of Post-Treatment Lyme Disease Syndrome". Centers for Disease Control & Prevention, Atlanta, GA.
2011-Present	Member, Editorial Board, <i>BMJ Case Reports</i>

Research Experience

1970-71	Senior College Research Project: Pica in Rats. Department of Physiological Psychology, Columbia College, Dr. S. Woods.
1971-72	Clinical Research in Endocrinology. Columbia-Presbyterian Medical Center, New York, NY, Dr. R. Vande Wiele.
1974-75	Neurobiological Research on Rat Sensory Receptors. University of Lausanne Medical School, Dr. H. Van der Loos.
1979-80	Clinical Research on Circulating Immune Complexes. St. Lukes-Roosevelt Hospital Center, Dr. W. Clark.
1982-85	NIH Grants # HL-07100-08 454965-31779 and 1F32 HL-06871-01 CLN: Study of Autoantibody in Immune Thrombocytopenic Purpura by a Monoclonal Technique. Cancer Research Institute, University of California San Francisco, Dr. M. Shuman.
1985-87	Research Fellowships 85-N27 and 86-37A. American Heart Association, California Affiliate: Characterization of Platelet Antibodies. Cancer Research Institute and Department of Laboratory Medicine, University of California San Francisco, Drs. M. Shuman & L. Corash.
1986-87	AIDS Clinical Research Center Grant: Chloroquine Treatment of AIDS-Related Immune Thrombocytopenic Purpura (ITP), Drs. D. Abrams & L. Corash
1987-89	NIH RO1 #AI/HL 24288, National Heart, Lung and Blood Institute/National Institute of Allergy and Infectious Diseases: Pathogenesis of AIDS-Related Immune Thrombocytopenic Purpura.
1987-89	AIDS Investigator Award K87SF057, California State Task Force on AIDS: Autoimmunity and AIDS.
1987-89	Research Award R87SFO89, California State Task Force on AIDS: Autoimmunity and AIDS.
1988-89	AIDS Clinical Research Center Grant: Monthly Intravenous Gammaglobulin Treatment of AIDS-Related Immune Thrombocytopenia. Drs. D. Abrams, M. Jacobson & T. Chew.
1989-92	Children's Hospital of San Francisco Grant 89-023: Pathogenesis of HIV-Associated Peripheral Neuropathy. Drs. D. Kiprov, D. Bredesen.

1990-93	Children's Hospital of San Francisco Grant 90-041: The Clinical Significance of LEU 17 T-Cells in HIV Disease. Drs. D. Kiprof, J. Giorgi.
1991-93	California Pacific Medical Center Grant 91-030: Comparison of Intravenous Gammaglobulin vs. Allogeneic Lymphocyte Immunization in Women with Recurrent Spontaneous Abortions - A Double Blind Crossover Study. Drs. D. Kiprof, R. Nachtigall, C. Levinson.
1989-94	Elizabeth Reed Taylor Foundation Grant: Peripheral Blood Lymphocyte Subset and Epidermal Langerhans Cell Evaluation in AIDS/ARC during DNCB Application. Drs. W. Epstein, T. Berger.
1993-95	Co-investigator, Passive Hyperimmune Therapy Program. Dr. J. Levy, HemaCare Corporation.
1993-96	Consultant, Swedish DNCB Study Group. Drs. S. Britton, L. Morfeldt, K. Liebman.
1994-96	Co-investigator, DNCB Topical Delivery System Development Project. Drs. W. Epstein, L.B. Mills, Y.S. Zhu.
1994-96	DATA Research Grant: Quantitation of Viral Load in HIV-Infected Patients Treated with DNCB. Drs. Y.S. Zhu, W. Epstein, L.B. Mills.
1996-99	IND Co-investigator: Evaluation of Topical Dinitrochlorobenzene Therapy in Humans. Queens Medical Center, Honolulu, HI. Drs. L.B. Mills, R.I. Frankel, W.L. Epstein.
2008-Present	Scientific Advisory Panel: Multimethod Examination of Diverse Manifestations of Lyme Disease. Department of Psychiatry, Stanford University. Cheryl Koopman, PhD.

Professional Activity:

Invited Lectures

International

Research Seminar, Pasteur Institute, Paris, France
 Research Seminar, Karolinska Institute, Stockholm, Sweden
 Plenary Session, IV International Conference on HIV/AIDS in Cuba, Central America and the Caribbean, Havana, Cuba
 International Conference on Tick Borne Diseases, York, United Kingdom
 Deutsche Borreliose Gesellschaft Annual Meeting, Tabarz, Germany
 Lyme Borreliosis Symposium, Aarhus, Denmark
 ILADS Lyme Disease Conference, London, United Kingdom
 ILADS Lyme Disease Conference, Augsburg, Germany

National

Hematology Rounds, Albert Einstein Medical Center, New York, NY
 Research Seminar, American Red Cross Headquarters, Washington, DC

Hematology/Coagulation Rounds, Mt. Sinai Medical Center, New York, NY
 Hematology Rounds, Memorial-Sloan Kettering Cancer Center, New York, NY
 Hematology Grand Rounds, University of California, Los Angeles, CA
 HemaCare Stem Cell Symposium, Los Angeles, CA
 AIDS Seminar, National Institute of Allergy & Infectious Diseases, Bethesda, MD
 DNCB Symposium, Broward Educational AIDS Conference on Health (BEACH '94), Ft. Lauderdale, FL
 Allied Health Seminar, ASFA National Meeting, San Diego, CA
 ILADS Clinical Conference, Princeton, NJ
 ILADS Annual Meeting, Basking Ridge, NJ
 Lyme Disease Association Annual Meeting, Philadelphia, PA
 ILADS Annual Meeting, Philadelphia, PA
 ILADS Annual Meeting, Rye, NY
 ILADS Annual Meeting, Philadelphia, PA
 Lyme Disease Association Annual Meeting, Boston, MA
 ILADS Annual Meeting, Boston, MA
 Charles E. Holman Foundation Morgellons Conference, Austin, TX
 ILADS Annual Meeting, San Francisco, CA
 ILADS Annual Meeting, Washington, DC
 ACAM Symposium on Lyme Disease, San Diego, CA
 ILADS Annual Meeting, Jersey City, NJ
 ILADS Annual Meeting, Toronto, Canada
 ILADS Annual Meeting, Boston, MA
 ILADS Annual Meeting, San Diego, CA

Regional

Laboratory Medicine Grand Rounds, UCSF
 Cancer Research Institute Grand Rounds, UCSF
 UCSF-Stanford Combined Hematology Conference, UCSF
 Hematology Rounds, Stanford University Medical Center, Palo Alto, CA
 Medical Grand Rounds, St. Mary's Hospital, San Francisco, CA
 Nephrology Grand Rounds, UCSF
 Medical Grand Rounds, Pacific Presbyterian Medical Center, San Francisco, CA
 Medical Grand Rounds, Mt. Zion Hospital, San Francisco, CA
 Hematopathology Rounds, Pacific Presbyterian Medical Center, San Francisco, CA
 Plasmapheresis Conference, California Pacific Medical Center, San Francisco, CA
 Annual Conference on Apheresis, California Blood Bank Society, Oakland, CA
 Medical Grand Rounds, California Pacific Medical Center, San Francisco, CA
 Medical Grand Rounds, Kaiser-Permanente Medical Center, San Francisco, CA
 Research Seminar, Alza Corporation, Palo Alto, CA
 AIDS Research Conference, Ralph K. Davies Medical Center, San Francisco, CA
 Medical Grand Rounds, St. Francis Hospital, San Francisco, CA
 AIDS Symposium, American Association for the Advancement of Science/Pacific Division, San Francisco, CA
 Medical Grand Rounds, Brookside Hospital, San Pablo, CA
 DNCB Symposium, HIV/AIDS and Chinese Medicine Conference, San Francisco, CA
 Plasmapheresis Update, CBBS Regional Meeting, San Francisco, CA
 AIDS Course Lecture, Mt. Tamalpais High School, Mill Valley, CA
 OBGYN Grand Rounds, California Pacific Medical Center, San Francisco, CA
 IVIG Seminar, California Blood Bank Society Annual Meeting, Irvine, CA
 OBGYN Grand Rounds, Marin General Hospital, Greenbrae, CA
 OBGYN Grand Rounds, Mills-Peninsula Hospital, Millbrae, CA
 OBGYN Grand Rounds, Alta Bates Medical Center, Berkeley, CA

Tickborne Disease Seminar, Sierra Nevada Memorial Hospital, Grass Valley, CA
Lyme Disease Seminar, California Pacific Medical Center, San Francisco, CA
Seminar on Lyme Disease in California and the Wildlife Profession, Sacramento, CA
Medical Grand Rounds, Mendocino Coast Hospital, Ft. Bragg, CA
LDRC Conference on Lyme Disease, Ukiah, CA
OHM Conference on Lyme Disease, San Francisco, CA
California Nurse Practitioner Annual Meeting, Monterey, CA
University of California Lyme Symposium, Berkeley, CA
Ratna Ling Lyme Symposium, Cazadero, CA
CALDA Lyme Symposium, San Ramon, CA
Sonoma State University Lyme Symposium, Rohnert Park, CA
CALDA Lyme Symposium, Santa Rosa, CA
Medical Grand Rounds, Sutter Auburn Faith Hospital, Auburn, CA

Invited Reviewer

Acta Neurologica Scandinavica
AIDS
Allergologia et Immunopathologia
American Journal of Reproductive Immunology
Annals of Internal Medicine
Blood
BMCID
BMJ
Clinical & Applied Immunology Reviews
Clinical Case Reports
Clinical Immunology
Clinical Infectious Diseases
Clinics
Epidemiology Open Access
Expert Opinion on Pharmacotherapy
Expert Review of Anti-Infective Therapy
Expert Review of Molecular Diagnostics
European Journal of Haematology
Fertility & Sterility
Future Microbiology
Future Neurology
Future Rheumatology
Gynecological Endocrinology
Heart & Lung
Immunological Investigations
Indian Journal of Medical Research
JAMA
Journal of Acquired Immunodeficiency Syndromes
Journal of Antimicrobial Chemotherapy
Journal of Clinical Apheresis
Journal of Clinical Investigation
Journal of Immunological Methods
Journal of Immunology
Journal of Infectious Diseases
Lancet
Lancet Infectious Diseases
Lancet Neurology
Milbank Quarterly

Muscle and Nerve
Netherlands Organisation for Health Research and Development
New England Journal of Medicine
New York State Medical Journal
Obstetrics and Gynecology
Quarterly Review of Biology
Reproductive Biology and Endocrinology
Southern Medical Journal
Swiss National Research Foundation
Vox Sanguinis

Scientific and Professional Meetings:

International

1986	International Conference on AIDS, Paris, France (Poster)
1988	International Conference on AIDS, Stockholm, Sweden (Poster)
1988	International Conference on Retroviruses and Disease, Heraklion, Crete (Poster)
1989	International Conference on AIDS, Montreal, Canada (Paper)
1989	International Conference on Neurological Complications of HIV Infection, Quebec City, Canada (Paper)
1990	International Conference on Management Issues in HIV Disease, Munich, Germany (Paper)
1990	International Conference on the Uses of Intravenous Gammaglobulin, Interlaken, Switzerland (Paper)
1990	International Conference on AIDS, San Francisco, CA (Poster)
1991	International Conference on AIDS, Florence, Italy (Posters)
1992	International Conference on AIDS, Amsterdam, Holland (Poster)
1993	International Conference on AIDS, Berlin, Germany (Poster)
1994	International Conference on AIDS, Yokohama, Japan (Poster)
1995	International Symposium on Clinical Immunology, San Francisco, CA (Paper)
1995	Third International Conference on AIDS in Asia and the Pacific, Chiang Mai, Thailand (Paper)
1996	International Conference on AIDS, Vancouver, Canada (Poster)
1997	International Symposium on Clinical Immunology, Amsterdam, Holland (Poster)
1997	International Society of Hematology Meeting, Stockholm, Sweden (Poster)
1998	12th World AIDS Conference, Geneva, Switzerland (Symposium)
1998	International Conference on the Discovery and Clinical Development of Antiretroviral Therapies (ICDCD), St. Thomas, V.I. (Poster)
1999	International Conference on HIV, Leukemia and Cancer, Marrakech, Morocco (Poster)
1999	International Society of Hematology Meeting, Barcelona, Spain (Poster)
2000	Second International Conference on Experimental and Clinical Reproductive Immunobiology, Amsterdam, Holland (Poster)
2004	International Conference on Tick Borne Diseases, York, United Kingdom (Symposium)
2004	IUIS/FOCIS Meeting, Montreal, Canada (Paper)
2004	World Ehrlich Conference on Antimicrobial Therapy, Nuremberg, Germany (Symposium)

2008	Deutsche Borreliose Gesellschaft Annual Meeting, Tabarz, Germany (Symposium)
2010	Lyme Borreliosis Symposium, Aarhus, Denmark (Debate)
2010	ILADS Lyme Disease Conference, London, United Kingdom (Symposium)
2011	ILADS Lyme Disease Conference, Augsburg, Germany (Symposium)

National

1981-2001	American Society of Hematology Annual Meeting (Papers, Posters)
1983-95	American Federation for Clinical Research Annual Meeting (Papers)
1990-96	American Society for Apheresis Annual Meeting (Papers)
1997-2000	AAAI/AAI/CIS Joint Meeting (Posters)
2001	First Annual FOCIS Meeting, Boston, MA (Poster)
2001	American Society for Reproductive Immunology Annual Meeting, Chicago, IL (Poster)
2002	Second Annual FOCIS Meeting, San Francisco, CA (Poster)
2002	Second Annual ILADS Meeting, Somerset, NJ (Paper)
2003	Columbia/LDA Conference on Tickborne Diseases, Philadelphia, PA (Paper)
2003	Third Annual ILADS Meeting, Philadelphia, PA (Paper)
2004	Fourth Annual ILADS Meeting, Rye, NY (Paper)
2005	ASRI Annual Meeting, Providence, RI (Symposium)
2005	Fifth Annual ILADS Meeting, Philadelphia, PA (Paper)
2006	IDSA Annual Meeting, Toronto, Canada (Debate)
2006	Sixth Annual ILADS Meeting, Philadelphia, PA (Paper)
2007	Columbia/LDA Conference on Tickborne Diseases, Boston, MA (Debate)
2007	Seventh Annual ILADS Meeting, Boston, MA (Paper)
2008	Eighth Annual ILADS Meeting, San Francisco, CA (Symposium)
2009	Charles E. Holman Foundation Morgellons Conference, Austin, TX (Paper)
2009	Ninth Annual ILADS Meeting, Washington, DC (Paper)
2010	Charles E. Holman Foundation Morgellons Conference, Austin, TX (Paper)
2010	Tenth Annual ILADS Meeting, Jersey City, NJ (Symposium)
2011	Eleventh Annual ILADS Meeting, Toronto, Canada (Paper)
2012	Twelfth Annual ILADS Meeting, Boston, MA (Paper)
2013	Thirteenth Annual ILADS Meeting, San Diego, CA (Symposium)

Regional

1985, 1988	University of California Task Force on AIDS Research Symposium, San Diego, CA (Papers)
1987	California Heart Association Young Investigator Symposium, Santa Barbara, CA (Paper)
2003-2013	Western Regional Meeting, American Federation for Medical Research, Carmel, CA (Papers)

University Service:

School of Medicine, UCSF

1982-89	Introduction to Clinical Medicine - Advisory Panel
1988	Qualifying Examination Reviewer, Department of Anatomy

1988-89 Course Co-director, Laboratory Medicine 150:01 (Medical Student Elective)

Department of Laboratory Medicine, UCSF

1986-89 Ad Hoc Faculty Committee on Merits and Promotions

Department of Medicine, UCSF

1987-89 Ad Hoc Faculty Committee on Merits and Promotions

Cancer Research Institute, UCSF

1987-88 Library Committee

Medical Society Service:

1993-94 Membership Committee, ASFA
1994-96 Co-Chairman, Membership Committee, ASFA
1995-96 Member, CBBS Apheresis Committee
1998 Member, CBBS Scientific Advisory Committee

Public Testimony

Hearing on Lyme disease, California State Senate, Sacramento, CA 2004.
Hearing on Lyme guidelines, IDSA Lyme Guidelines Review Panel, Washington, DC 2009.
Hearing on Lyme disease, House Committee on Foreign Affairs, Washington, DC 2012.
